Parent Club Carnival Soda/Water Voluntary Donations Drive

February 9, 2018

The Red Bank Elementary Parent Club will be sponsoring their annual School Carnival. The PTC is asking for voluntary donations of sodas and water for the carnival. The proceeds from the carnival will be used to support activities and items that are not covered by budget dollars provided by the state to Clovis Unified. The soda/water drive has been successful in the past due to all the support from our community. We appreciate any voluntary donations you can provide. In an effort to manage and provide a variety of products we collect and sell during the carnival, we have asked that each classroom collect a specific product for their donations. Our target date is April 13th
