LOCATION

Clovis Elementary- Multipurpose Room
1100 Armstrong Ave.

6:00 PM - 4th Grade Girls

"Just Around the Corner for Girls" is a film to help younger elementary girls understand puberty and the physical changes that lie "just around the corner." With the assistance of whimsical animated figures, the film talks about the onset of puberty, the physical changes during puberty, menstruation, and the importance of good hygiene and healthy habits. It will also help them to realize that the physical changes they are experiencing are normal and will help to create their new and unique identity as they grow toward adulthood.

6:20 PM - 5th Grade Girls

"Growing Up for Girls" is an upbeat video that will help promote self-confidence as girls face the challenges of change and growth. The video offers clear, authoritative information about the female reproductive systems, the emotional and physical transformations of puberty and the importance of good health and hygiene.

6:40 PM - 5th Grade Boys

"Growing Up for Boys" is a video that will help ease the growing pains boys try to cope with on the physical and psychological changes that are a normal part of growing up. This video will look at the basics of male anatomy and development and will encourage boys to take pride in their uniqueness.

7:00 PM - 6th Grade Girls and Boys

"We're Growing Up" is a video with a lively cast of young teenagers, both male and female who will discuss growth patterns from conception through adolescence and provide a review of male and female anatomy and sexual development, emphasizing responsible choices.
