2016-2017

End of the Year Activities

As we are approaching the end of the school year, please be aware that all field trips, events, uniforms, lunch accounts and any other items must be paid for in **CASH** for the remainder of the school year. Overdue lunch accounts, library fees, missing uniforms or any other outstanding items may result in students not being able to attend or participate in end of the year activities.

Thank you for your understanding.

2017-2018 Annual Information Update

Once again parents/guardians will be asked to complete an annual information update / on line re-enrollment for their students for the 17/18 school year. The window for next years on line re-enrollment will open on or around July 10, 2017. We encourage you to complete your student's re-enrollment at your earliest convenience. Your student will not be assigned a teacher until this process has been completed.
