End of the Year Activities

As we are approaching the end of the school year, please be aware that all field trips, events, uniforms, lunch accounts and any other items must be paid for in cash for the remainder of the school year. Overdue lunch accounts, library fees and/or missing uniforms may result in students not being able to attend or participate in end of the year activities. Thank you for your understanding.

SBAC Testing

3rd through 6th grade students continue to take the SBAC Tests over the next several weeks. Parents can help support their children by making sure they get a good nights sleep, eat a healthy breakfast, arrive at school on time and schedule appointments for late afternoon.

2017-2018 Annual Information Update

Once again parents/guardians will be asked to complete an annual information update / on line re-enrollment for their students for the 17/18 school year. The window for next years on line re-enrollment will open on or around July 10, 2017. In an effort to ensure we have parents' proper emails, we will be sending out a test email towards the end of the month to the email addresses we have on file.
