PARKING LOT ETIQUETTE

Parents, we need your help. We would like to continue to have the parking lot near the main office open in the mornings, however we need your help to make this possible. If you are using this parking lot, we need you to pull into one of the unmarked stalls or one of the stalls marked for visitors only. Please do not block or park in staff assigned parking spaces. Please do not use the driveway as a drop off zone. This practice has created multiple safety issues. In addition, our staff have a difficult time accessing their parking stalls. We ask that drop offs take place on San Jose. Failure to follow these guidelines to ensure safety may result in this parking lot getting closed off.
