

Yearbook Business Card Ad

It's that time of the year again to advertise your place of business in our school yearbook. This is done by providing a business card to be included in our book prior to February 8, 2019.

Business card ads cost \$25.00 each. This is a great way to get our local and school community out to visit your place of business.

Please send in your business card(s) to Mrs. Araim in Room K-1, by Friday, February 8.

Checks should be made out to: Clovis Unified School District

I look forward to placing your ad in this year's book!

Mrs. Araim,
Yearbook Advisor
